

B.M. ANNUAL ACTIVITIES REPORT

(Under the Aegis of Educational & Charitable Trust)

Academic Year 2025-2026

Introduction

The academic year 2025-2026 was marked by enthusiasm, discipline, and remarkable achievements in academics, sports, cultural programs, and community service. The school remained committed to providing quality education and holistic development to every student. Through the combined efforts of management, teachers, students, and parents, the institution successfully conducted numerous activities throughout the year.

The school focused not only on academic excellence but also on character building, leadership, creativity, and moral values. Various co-curricular and extracurricular activities were organized to ensure the overall development of students.

School Vision and Mission

Vision

To provide quality education that develops intellectual, moral, spiritual, and social values among students.

Mission

- To encourage academic excellence
 - To promote discipline and leadership qualities
 - To nurture creativity and innovation
 - To develop responsible and compassionate citizens
-

Academic Activities

The school maintained a student-centered teaching approach throughout the academic session. Regular teaching-learning activities were conducted effectively according to the syllabus and academic calendar.

Teaching and Learning

- Daily classroom teaching with lesson plans
- Smart classroom and digital learning methods
- Group discussions and project-based learning
- Practical classes in science laboratories
- Library reading sessions
- Continuous assessments and class tests

Examinations Conducted

- Unit Tests
- Half-Yearly Examination
- Annual Examination
- Surprise Tests
- Practical Examinations

Special attention was given to slow learners through remedial coaching and doubt-clearing sessions.

Academic Competitions

To improve intellectual skills and confidence, the following competitions were organized: Many students performed exceptionally well and brought recognition to the school.

Summer Camp Activities

- Summer Camps keep students engaged in productive activities instead of spending too much time on mobile phones or TV.
- Children learn new activities, speak with others, and become more confident.
- Students make new friends, learn teamwork, sharing, and cooperation.

Morning Assembly Activities

Morning assembly played an important role in developing confidence and moral values among students.

- Morning assembly was conducted at B.M. Public School in a disciplined manner.
- Students participated in prayer, thought of the day, and news reading activities.
- Teachers guided students with motivational speeches and important messages.
- The assembly helped students develop confidence, discipline, and moral values.
- The programme created a positive and energetic start to the school day.
- Students actively participated and improved their communication skills.

Cultural Activities

The cultural department organized several programs to promote creativity, unity, and cultural awareness.

Major Celebrations

Independence Day

The school celebrated Independence Day with patriotic songs, speeches, dances, and flag hoisting ceremonies.

Teachers' Day

Students expressed gratitude to teachers through cultural performances and speeches.

Children's Day

Various fun games and cultural events were organized for students.

Annual Day Celebration

The Annual Day function was one of the biggest events of the year. Students presented dances, songs, skits, and dramas reflecting social and moral themes.

Mother's Day Celebration

- Mother's Day helps students learn the importance of respecting and loving mothers.
- It teaches children to be thankful for the sacrifices mothers make every day.
- Celebrating Mother's Day builds good moral values in students.
- It strengthens the emotional bond between children and their mothers.
- Students get an opportunity to express their love and gratitude through songs, speeches, cards, and dances.

Annual Sports Meet

The programme promoted teamwork, discipline, and sportsmanship among students.

- Winners were appreciated with prizes and certificates for their performance.
- Sports Day helped students improve their physical fitness and confidence.
- Students participated with great enthusiasm and displayed discipline and sportsmanship.

Social Service and Awareness Programs

The school organized social awareness activities to develop social responsibility among students.

Programs Conducted

Health Check-up

- B.M. Public School organized a health camp for students and parents.
- Doctors provided free health check-ups and medical advice.
- The camp created awareness about health, hygiene, and proper care.
- Students and parents actively participated in the program.
- The health camp helped promote a healthy and safe community.

Students learned the importance of helping society and protecting the environment.

- B.M. Public School organized a visit to the medical center to support sick people.
- Students and teachers distributed fruits and biscuits to patients.
- The programme spread love, care, and kindness among people.
- Students learned the importance of helping and respecting others.
- Such social service activities encourage humanity and compassion in society.

Orphan Home Visit & Food Distribution

- B.M. Public School organized a visit to Gandhi Bal Ashram on the occasion of Independence Day.
- Students interacted with the children of the Ashram and celebrated the day with great joy and enthusiasm.
- Various cultural programs and patriotic activities were conducted during the visit.
- Gifts, refreshments, and dinner were arranged by the school management for all the children.
- The visit spread the message of kindness, unity, humanity, and social responsibility among the students

Tree Plantation Programme

- B.M. Public School organized a plantation programme to spread awareness about environmental protection.
- Students, teachers, and parents actively participated in planting trees.
- The programme encouraged everyone to keep the environment clean and green.
- Students learned the importance of trees in our daily life.
- The plantation programme promoted the message of saving nature for a better future.

Road Safety Awareness Programme

- B.M. Public School organized a Road Safety Awareness Programme with the help of the RTO Department of Bhadrak.
- Students learned important traffic rules and road safety measures.
- The programme created awareness about safe driving and responsible road behavior.
- RTO officials guided students on the importance of wearing helmets and following traffic signals.
- The event encouraged everyone to become responsible and careful road users.

Swachh Bharat Abhiyan

- B.M. Public School organized a Swachh Bharat Abhiyan programme on Gandhi Jayanti.
- Students and teachers participated actively in the cleanliness drive.
- The programme spread awareness about cleanliness and hygiene in society.
- Students cleaned the school surroundings and public areas responsibly.
- The event inspired everyone to keep the environment neat, clean, and healthy.

B.M. Drinking Water Camp

- B.M. Public School organized a Jala Chatra to provide drinking water to people during the summer season.
- Students and teachers actively participated in serving water to travelers and local people.
- The program was conducted to spread the message of kindness, humanity, and social service.
- Clean drinking water and refreshments were distributed among the public.
- The initiative was appreciated by everyone and encouraged students to help society with compassion and responsibility.

Educational Tours and Excursions

Educational tours were arranged to provide practical learning experiences to students. These tours helped students gain knowledge beyond the classroom.

Parent-Teacher Meetings

Regular Parent-Teacher Meetings (PTMs) were conducted to discuss students' academic progress, discipline, attendance, and overall development. Parents cooperated actively with the school for the betterment of students.

Discipline and Moral Education

The school maintained strict discipline and encouraged moral education among students. Students were taught values such as:

- Honesty
- Respect
- Obedience
- Responsibility
- Teamwork

Counseling and motivational sessions were also conducted regularly.

Teachers' Development Programs

Teachers participated in seminars, workshops, and training sessions to improve teaching skills and classroom management techniques.

Visited Blind School & Distributed Sweets and Food

A visit to a blind school is a meaningful experience that teaches students humanity, gratitude, compassion, and the importance of helping others in society.

- Students learn kindness, compassion, and empathy toward visually impaired people.
- The visit helps students understand the challenges faced by blind children in daily life.
- Students develop a spirit of helping and social responsibility.
- It teaches students to value and appreciate their own abilities and opportunities.

School Infrastructure Development

During the academic year, the school improved its infrastructure facilities, including:

- Classroom maintenance
 - Library improvement
 - Laboratory equipment
 - Sports materials
 - Clean drinking water facilities
 - Campus cleanliness
-

Achievements of the School

- Excellent academic results
 - Prize-winning performances in competitions
 - Increased student participation in activities
 - Better attendance and discipline
 - Successful organization of annual programs
-

Challenges Faced

Although the school achieved many successes, some challenges were faced:

- Need for more technological resources
- Financial limitations
- Maintaining regular attendance of all students

The school management is working continuously to overcome these challenges.

Future Plans

The school aims to:

- Introduce more digital learning tools
 - Organize advanced skill development programs
 - Improve sports facilities
 - Conduct more educational workshops
 - Encourage leadership and personality development activities
 -
-

Conclusion

The academic year 2025–2026 was successful and productive. The school sincerely thanks the management, teachers, parents, students, and support staff for their cooperation and dedication. Together, we look forward to achieving greater success and excellence in the coming years.

Acknowledgement

We express our heartfelt gratitude to God Almighty for His guidance and blessings throughout the academic year. We also thank all staff members, parents, and well-wishers for their continuous support and encouragement.
